WINTER ISSUE 2007

Where did this year go? We all plan to do certain things that are high on our list of priorities, but the list grows with every passing week and hopefully we get to cross them off or at least a good number. This year was no exception, but the list grew faster than the cross offs.

Right now, the BC Lions just lost to the Saskatchewan Roughriders, no Grey Cup this year, but, the Vancouver Canucks have won games on home ice. Wonders will never cease. I suspect that with Christmas approximately three weeks away, you are all busy not only at work, but with your plans for the holiday season.

This office is making plans for 2008 which should prove exciting for the membership and staff alike. We are moving forward with our plan to move the office further east and are in the process of setting up our own trade school. The last step is obtaining our own building and equipment. The process will begin early in the new year with an appraisal of our building and property and looking for a suitable building for our needs.

## Merry Christmas

*On behalf of all the Officers and Staff of Heat & Frost Local #118, I extend our best wishes for a Merry Christmas and a Safe and Happy New Year to you and your family.*

*We can all look forward to a healthy and prosperous 2008.*

*Fraternally yours,*

*Wayne Laxton  
Business Manager*
